Tabletop Version

Here are a few images of our demo trucks out in the wild, offering hands-on experience with some of our products

Faster And Easier Than Custom Fabrication

Modular Work Platform And Cross Over Stairs

ErectaStep quickly configures to gain safe access for maintenance and cross-over applications for pipes, dike walls and other obstructions. Three platforms together provide up to 9' of linear clearance, without a tower support required. All pre-engineered and OSHA compliant. No fabrication required.

Flat Bed Fall Protection

ErectaStep's Industrial Series line of metal stairs and industrial maintenance work platforms, feature modular, lightweight aluminum components that are as easy to reconfigure as they are to assemble. Installation only takes a few hours and requires little more than a wrench. That means no boom truck or heavy crane. Most installations take little more than a hand truck and two installers.

YellowGate® Fall Protection

The Most Adjustable Swing Gate Available

- Universal mount for easy installation – no additional parts to order
